Course Objectives

- To provide an update by a multidisciplinary team on best practice and what is changing and evolving with regard to the management of pregnant women in triage, labour, delivery and the immediate postpartum period (This will include all pregnant women presenting at term or in preterm labour with live or stillborn fetuses)
- To present the audience with up-to-date management protocols in complex labour and delivery situations
- To provide a platform for a multidisciplinary team to share cases and discuss clinical, logistic and economic issues related to contemporary labour and delivery management
- To identify knowledge gaps, generate ideas and enhance collaboration with regard to research on the management of labour & delivery

Faculty

**Paul Bernstein**  
Professor, Dept. of Obstetrics & Gynaecology, University of Toronto  
Mount Sinai Hospital

**Marie Czikk**  
Assistant Professor, Dept. of Obstetrics & Gynaecology, University of Toronto  
Maternal Fetal Medicine, Mount Sinai Hospital

**Rohan D’Souza**  
Assistant Professor, Dept. of Obstetrics & Gynaecology, University of Toronto  
Maternal Fetal Medicine, Mount Sinai Hospital

**Sebastian Hobson**  
Maternal Fetal Medicine Fellow, University of Toronto  
Mount Sinai Hospital

**Robert Gratton**  
Associate Professor, Dept. Of Obstetrics & Gynaecology, Western University  
Maternal Fetal Medicine, London Health Sciences
